

Part no. 400201

Above Ground A-Frame Pool Ladder Conversion Kit

Assembly and Installation Manual

Parts List

- 2 - Return Handrails
- 2 - Mounting Blocks Rails
- 2 - Mounting Blocks
- 1 - Hardware Safety Pack:
16 - 1/4-10 x 3/4" Philips self-tapping screws

Tools Needed: Rubber Mallet, cordless drill with Phillips bit.

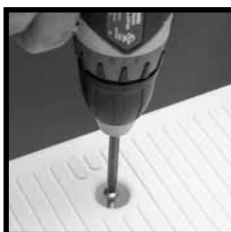

Step #1

#1: Remove the Swing-up Ladder assembly by flexing the oval openings outward from the tabs on the Platform.

#2: Remove the two 1/4-20 x 3 1/2" bolts and 1/4-20 hex nuts from the pool ledge. Then remove A-Frame Ladder from pool and lay it on its side.

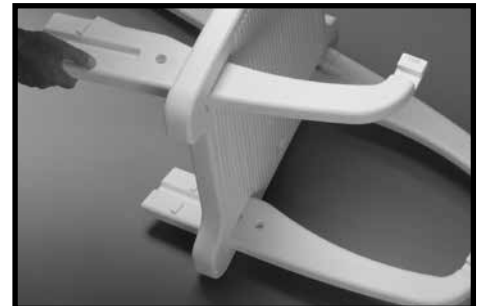

#3: Using a cordless drill, remove the four **#10 x 3/4" self-tapping screws** that connect the Handrails together

#4: Slide the remaining ladder assembly out of the two holes nearest the tabs of the platform and set aside.

Step #2

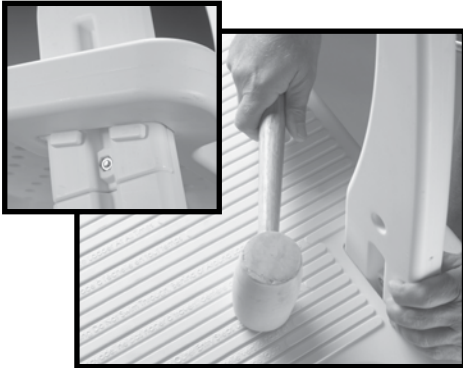

#1: With the ladder still on its side, slide the Return Handrails up through the bottom of the Platform.

#2: Using two **#10 x 3/4" self-tapping screws**, connect the Handrail to the Return Handrail by using one screw on the outside and one screw on the inside. Repeat for the remaining handrail.

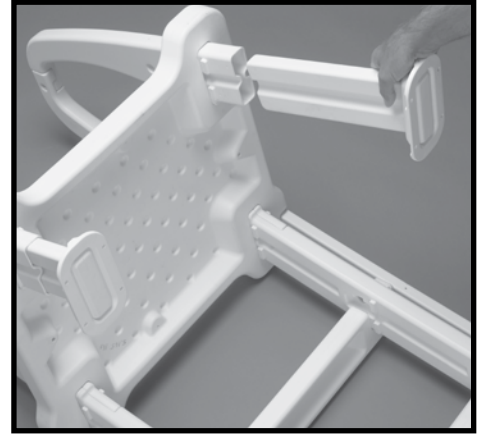

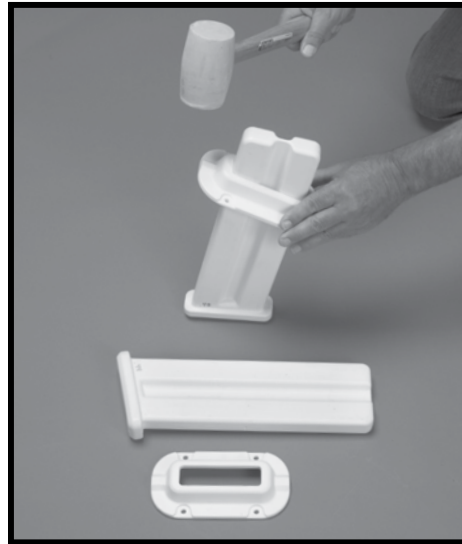

Step #2 continued

#3: Stand up the assembly and using a rubber mallet tap the Platform down until seated on the lugs on the Side Rails. IT MAY REQUIRE SEVERAL HARD BLOWS WITH A RUBBER MALLET TO SEAT THE PLATFORM ALL THE WAY DOWN ONTO LUGS.

Step #3

#1: Using the rubber mallet, tap the Mounting Blocks onto the Mounting Block Rails.

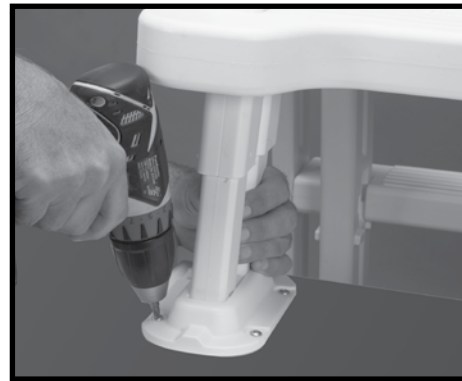

#2: Lying the ladder assembly on its side, slide the Mounting Block assemblies up into the open end of the Return Handrails as shown. Ladder is now ready to attach to your pool deck.

Step #4

Attaching In-Pool Ladder to Your Pool Deck

CHOOSE A LOCATION THAT IS LEVEL AND IN FULL VIEW. POOL MUST HAVE COMPETENT ADULT SUPERVISION AT ALL TIMES WHEN IN USE.

#1: Carefully lift the ladder into the pool. Allow ladder to fill with water so it settles on the bottom of the pool. Small holes in the side rails will let the water in. This may take a few minutes. Make sure the bottom tread of the ladder sits firmly on the bottom of the pool.

#2: Position the ladder over the pool deck with the Mounting Blocks sitting flat. Attach the Mounting Blocks to the pool deck using four **#10 x 3/4" self-tapping screws** in each mounting block.

#3: Making sure the Platform is level, attach both mounting block assemblies to the ladder using four **#10 x 3/4" self-tapping screws** in each assembly.

OCEAN BLUE WATER PRODUCTS WARRANTY

Ocean Blue Water Products warrants their swimming pool ladders to be free from defects in workmanship for one year from date of purchase.

DO NOT RETURN DEFECTIVE PART TO DEALER

The defective part should be returned, postpaid, to:

Ocean Blue Water Products
7447A S Central Ave
Bedford Park IL 60638

Enclose proof of purchase (receipts, etc.) showing date purchased, your name, address, and daytime phone number. You will be notified of cost to replace part. *This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.*
