

Embassy PoolCo

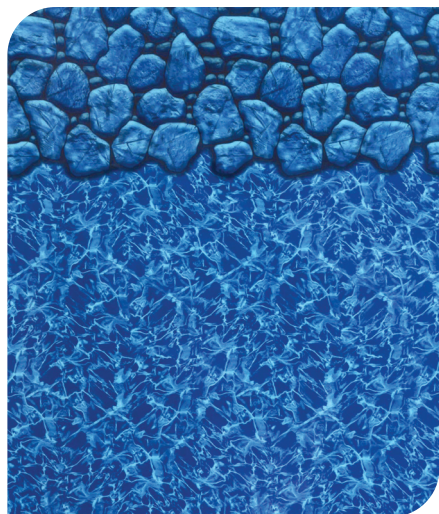

A DIVISION OF HOFFINGER INDUSTRIES, INC.

AQUA-TRU

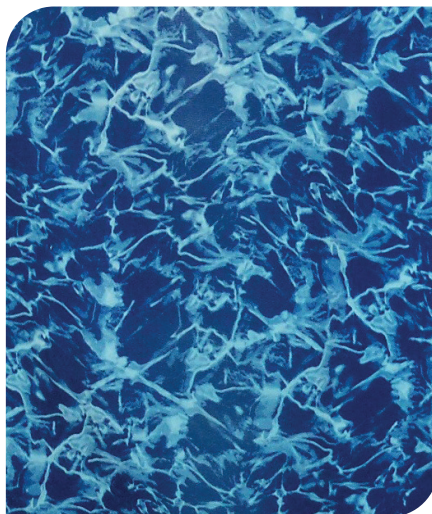

3000 LINER SERIES

Quality Features

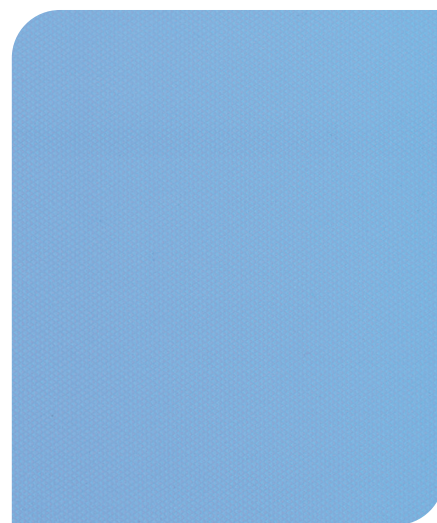

- Aqua-Tru liners are sealed using Therma-Seal™ Technology - a proprietary fusion method providing superior sealing for maximum durability and quality.
- 15 year limited warranty. The first 3 years are covered 100% against manufacturer defects. The remainder of the warranty is prorated.
- The Ultraviolet Inhibitors protect the liner from the sun's rays and enhance longer life.
- Specially designed to be wrinkle-free when used for those economical, kick-in installations.
- Sidewalls and bottoms are manufactured to the same thickness and weight.
- Manufactured to a "Tru" mil thickness.
